

Adriana Kolková

Associate

Adriana Kolková specialises in development, contributions, public procurement, and contractual relations.

During her practice, she has been involved in providing legal services primarily related to the construction of transport infrastructure and public-amenity projects, focusing in particular on contractual aspects. Adriana also has experience preparing and negotiating planning contracts and cooperation agreements concluded between municipalities and investors, including drafting related contractual and methodological documents.

Prior to joining our law firm in 2026, she worked at a Czech law firm specialising in civil law, particularly rights in rem, as well as infrastructure projects and legal advisory services for self-governing territorial units.
