

**Denisa Fuchsová**

Senior Associate

Denisa Fuchsová specialises in pharmaceutical and health law, contract law, and public law regulation. Denisa provides legal support to clients in the areas of medicinal products, medical devices, cosmetics and the provision of healthcare services, including issues related to clinical trials and testing, marketing of products, compliance with regulatory requirements, pricing and reimbursement regulation, inspections and administrative proceedings, and commercial relations.

She also provides advice on product liability matters.

Prior to joining our law firm in 2019, Denisa worked at the State Institute for Drug Control and at the Government Office. Denisa also supplemented her legal education with a year of management studies at Lund University in Sweden accredited by the Association of MBAs (AMBA).

Projects

- comprehensive legal advice to leading multinational manufacturers and distributors of medicinal products and medical devices
- drafting and negotiating commercial and other contracts - manufacturing, distribution, logistics, provision of services, provision of grants, NDAs, provision of bonuses, data purchasing
- representing a manufacturer before the State Institute for Drug Control in product recall proceedings and in borderline product proceedings
- advising in proceedings to change the maximum price and the amount and conditions of reimbursement of a medicinal product
- advising on the vigilance of medical devices
- advising on regulatory requirements for the advertising of medicinal products and medical devices
- regulatory advice to radiopharmaceuticals manufacturers
