

Kristýna Šlehoferová Senior Tax Consultant

Kristýna Šlehoferová specialises in value added tax.

She mainly provides ongoing advice to major manufacturing or commercial multinational corporations on value added tax, reviews of VAT returns, review reports, summary reports and Intrastat reports. Kristýna also specialises in personal and corporate income tax returns and value added tax due diligence process. In her professional practice, she has been responsible for the comprehensive administration of value added tax in international companies and communication with tax and customs administrations.

Before joining HAVEL & PARTNERS Tax s.r.o. (formerly TAX ADVISORY SERVICES s.r.o.) in 2021, Kristýna worked at the indirect taxation department in KPMG Česká republika for nearly three years.

Projects
