

## Marek Stránský

Associate

Marek Stránský specialises in litigation, particularly in debt management and collection.

In litigation, Marek focuses primarily on the enforcement of claims for leading banking institutions and non-bank entities in the Czech Republic. He also represents clients before public authorities, mainly in court proceedings before the Czech courts.

Marek started working with HAVEL & PARTNERS immediately after graduating from Masaryk University in Brno. Since 2020, he had served as a junior associate. After passing the bar exam, he continues to work with the firm as an associate.
