

Mgr. Kristina Havelková

Associate

Kristina Havelková specialises in litigation, in particular in debt management and recovery.

In the field of litigation, she primarily handles debt management and recovery for leading banks, non-banking entities, and major companies in the Czech Republic. Additionally, Kristina represents clients before public authorities, especially in court proceedings before the Czech courts.

She has been cooperating with HAVEL & PARTNERS since her studies at Masaryk University in Brno. Starting in 2020, she worked as a student, and after graduating, as a junior associate. After passing the bar exam, she has been working with our firm as an associate.
