

**Lucie Čírková**  
Tax Adviser

Lucie Čírková specialises in corporate as well as personal income taxes.

Her tax advice entails in particular preparation of tax returns, and day-to-day advice to major multinational manufacturing and trading corporations doing business in the Czech Republic, especially in the automotive and pharmaceutical industries. Lucie has ample expertise in compiling comprehensive tax returns for beneficiaries of investment incentives, transfer pricing, and day-to-day tax advice. During her practice, she was responsible for comprehensive tax compliance agenda of numerous Czech branches of multinational corporations, including assisting those organisations during tax inspections.

Before joining HAVEL & PARTNERS Tax s.r.o. (formerly TAX ADVISORY SERVICES) in 2016, Lucie had worked in the tax and legal department at Ernst & Young for more than six years.
