

Jan Diblík

Partner

Jan Diblík specialises in IP/IT, telecommunications, media, corporate law, acquisitions and divestitures of companies.

In IP/IT law, he focuses on the issue of software licences, the supply and implementation of IT solutions, outsourcing, regulatory issues involving electronic communications, and personal data protection.

In telecommunications and internet technologies, he has advised, for instance, multinational companies on their intended entry into the Czech market.

In media law, Jan advises clients on a regular basis on the aspects of unfair competition, advertising, television and radio broadcasting, and protection of personal rights of an individual.

In acquisitions and divestitures, he was involved in a number of projects and transactions (both on the buyer and the seller side), primarily in the energy, transportation, and media sectors.

Prior to joining our law firm, Jan worked for two years with a major Czech law firm, for four years with the French law firm Gide Loyrette Nouel (Prague), and for two years with the British law firm Linklaters (Prague).

Projects

- advising a British group on the acquisition of an IT system in the area of statistics planning and forecasting for trading in financial markets
- advising one of the major multinational advertising agencies on the provision of services in the relevant market
- advising a major European media group on its intended entry into the Czech market
- advising a major company from the aviation industry on the acquisition of a unique IT project
- advising a leading European energy group on the preparation of the acquisition of an energy company in the Czech Republic
- advising a leading foreign group involved in transportation on the intended acquisition of a Czech carrier
- advising a multinational consortium on the acquisition of a Czech engineering enterprise
- advising a multinational group on the anti-corruption and anti-bribery standards in the Czech Republic
- advising a number of clients in connection with trademarks and industrial property rights
