

Kamila Kulhánková

Managing Associate

Kamila Kulhánková specialises in public sector law, in particular public procurement, concession procedures and advice concerning projects co-financed from the EU operational programmes.

She focuses on comprehensive legal advice on public procurement and concessions (for both contracting entities and suppliers) including the preparation and organisation of award/concession procedures, participation of suppliers in these procedures or the preparation of analyses relating to these issues.

In the area of EU operational programmes Kamila advises to fund grantors in connection with the review of public contracts co-financed from EU operational programmes and to recipients in connection with public contracts co-financed from the EU operational programmes. Furthermore, she focuses on the preparation of expert opinions assessing the fulfilment of criteria for the co-financing of projects from the EU operational programmes.

Projects

- advising a contracting entity on the organisation of several public award procedures in the area of IT relating to the 2011 census involving data on population, flats and houses
- advising a sector contracting entity (a railway transport operator) on a contract awarded in the IT area in the form of a negotiated procedure with publication with the use of a dialogue
- advising a contracting entity (a Czech power transmission system operator) on the award of a public contract in the form of a negotiated procedure with the use of a dialog
- advising a contracting authority (a central state administration body) on the organisation of a contract award procedure in the IT area
- advising a contracting entity (a semi-budgetary organisation) on the organisation of several contract award procedures relating to a national landmark building renovation project
- advising several contracting entities (local governments) on the organisation of contract award procedures for the reconstruction and modernisation of water treatment plants
- advising a contracting entity (a local government) on the organisation of a contract award procedure concerning the acquisition of starter flats
- advising a contracting entity (a local government) on the organisation of a procedure for the award of a framework contract and the subsequent individual contracts for the privatisation of flats
- advising a fund grantor in connection with the review of over 300 projects co-financed from the EU operational programme on environmental issues including the review of water infrastructure construction projects
- advising a fund grantor in connection with the review of IT projects co-financed from the EU operational programme
- advising several recipients of subsidies from the EU funds in connection with payments resulting from a breach of budgetary discipline
- advising a recipient (a member of an international group) on procedures for the award of contracts for building and equipping a high-tech repair centre co-financed from an EU operational programme
