

## **Lenka Ostró**

Associate

Lenka Ostró specialises in pharmaceutical law, contract law, and labour law. As a bankruptcy trustee, she also advises on insolvency law and litigation. In the area of labour law, Lenka provides clients with legal advice covering their everyday issues concerning legal relations between employers and employees, including legal advice on collective bargaining and the operation of trade unions at companies. In the area of pharmaceutical law, Lenka advises clients on both regulation and the advertising of medicinal products and medical devices.

Prior to joining our law firm, Lenka worked in a law firm specialising in insolvency law, focusing primarily on litigation.
