In providing comprehensive legal and tax advice to private clients, who include the wealthiest entrepreneurs in the Czech and Slovak Republics, Jiří focuses mainly on the creation of the so-called Family Office, i.e., property management structures, which ensure not only the continuity and transfer of personal (family) property, elimination of "fragmentation" of family property (a so-called "aristocratic standard"), provision for minors or incapacitated persons, protection from potential creditors, participation in companies and cooperatives, but also the fulfilment of charitable purposes and public benefit activities.

Jiří joined HAVEL & PARTNERS as a student in 2017, started working as a junior associate in 2019, and after passing the bar exam in 2022 he became an associate.
