

Blanka Skleníčková

Tax Consultant

Blanka Skleníčková specialises in value added tax.

Her tax advice entails in particular preparation of value added tax returns, control statements, recapitulative statements, and Intrastat declarations. Blanka has ample expertise in preparing tax returns for natural persons, and related communication with tax authorities. During her practice, she has been responsible for all aspects of communication with tax authorities regarding registration and deregistration of organisations for tax purposes, and with the Customs Administration in Intrastat matters. She also handles administration of answers to requests for elimination of doubts raised by tax authorities, and has assisted mainly foreign corporate clients during tax inspections.

Before joining HAVEL & PARTNERS Tax s.r.o. (formerly TAX ADVISORY SERVICES) in 2018, Blanka had worked at Deloitte Advisory s.r.o. for more than 12 years.
