

Mgr. Alžběta Pospíšilová
Associate

Alžběta Pospíšilová specialises in pharmaceutical and health law, personal data protection, and advertising regulation.

She advises clients on medicinal products, medical devices and healthcare services, in particular in connection with the marketing of products, regulatory compliance, price and reimbursement regulation, and commercial relations.

Prior to joining our firm in 2023, Alžběta provided legal advice on multiple areas of law at a Czech law firm specialising in pharmaceutical law.

Projects

- Ongoing general legal advice to manufacturers and distributors of medicinal products and medical devices, including the drafting and negotiation of commercial agreements for manufacturing and distribution, data purchase agreements, as well as consultancy, grant and sponsorship agreements
- Advising on regulatory requirements governing the advertising of medicinal products and medical devices, and on compliance rules relating to interactions with healthcare professionals and healthcare organisations
- Advising in proceedings concerning changes to the maximum price and the level and conditions of reimbursement of medicinal products, including risk-sharing agreements with health insurance companies
