

**Jakub Kačerek**

Associate

Jakub Kačerek specialises primarily in banking and finance law, with a particular focus on transactional matters.

His practice includes preparing loan and security documentation, drafting legal opinions, preparing corporate approvals and resolutions, and conducting legal due diligence. He has experience advising on both lender-side and borrower-side loan mandates and has been involved in preparing documentation for the financing of major residential and commercial projects. Jakub also advises on international M&A transactions and assists clients with a wide range of corporate matters.

He graduated from the Faculty of Law of Masaryk University in Brno in 2022. During his studies, Jakub completed a year-long internship with a non-governmental organisation in Brussels and also undertook an internship with the Public Defender of Rights of the Slovak Republic in Bratislava.

Prior to joining our law firm, he worked as a junior associate at one of the largest Czech-Slovak law firms, where he focused primarily on banking and finance, mergers and acquisitions, and corporate law.

Projects

- Preparation and review of loan and security documentation for the financing of residential and commercial projects, including pledge agreements with respect to real estate, movable assets, shares, ownership interests, and receivables arising from bank accounts, leases, trade, and insurance policies
- Conducting legal due diligence in banking and finance area and preparing related reports on the validity and enforceability of loan and security documentation
- Drafting legal opinions on loan and security documentation, including matters involving international aspects where Czech entities participate in financing transactions governed by foreign law
- Preparation and review of investment documentation, particularly share purchase agreements, agreements on contributions outside registered capital, investment commitment agreements, and shareholder agreements (including limited partnership agreements)
- Legal due diligence of investment funds and preparation of documentation for KYC processes
- Preparation of corporate approvals, resolutions of corporate bodies, and powers of attorney in connection with the execution of loan and security documentation
- Legal advice on factoring, receivables assignments, and alternative financing structures, including the preparation of related legal opinions and corporate documentation
- Preparing and filing applications for the registration and deletion of pledges in the Czech Land Register, the Commercial Register, the Pledge Register, and the Trademark Register
